Frequent Headaches

Theford's

BLACK-DRAUGHT

and took it for a headache, and the relief was very quick, and it was so long before I had another headache. Now I just keep the Black-Draught, and don't let myself get in that condition."

Theford's Black-Draught (purely vegetable) has been found to relieve constipation, and by stimulating the action of the liver, when it is torpid, helps to drive many poisons out of your system. Biliousness, indigestion, headache, and similar troubles are often relieved in this way. It is the natural way. Be natural! Try Black-Draught.

A TALK WITH A BARBOURVILLE MAN

Mr. L. W. Hampton of Barbourville Tells His Experience

There is nothing like a talk with one of our own citizens for giving hope and encouragement to the anxious sufferer from the dread kidney disease. We therefore, give here an interview with a Barbourville man:

"After I had 'flu' about two years ago my kidneys bothered me," says Mr. Hampton. "They were weak and irregular and the kidney secretions were painful in passage. My back was weak and ached thru the small part just over my kidneys. I was lame and sore in the muscles of my hips and side when I got up in the morning. I got Doan's Kidney Pills at the Hawn Drug Co. and they soon straightened me up in good shape. Doan's are a fine kidney medicine and I will recommend them to anyone whenever I have an opportunity." 60c at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y. Adv.
